

Be A Stamp Champ!

One simple way to help Irish Guide Dogs for the Blind is to collect used postage stamps.

This is an easy way for school children to get involved in fundraising and is of value from an educational and from a learning to help others point of view.

We give them to stamp collecting companies who pay us by the weight. A full black refuse bag of stamps is worth €60 to our charity. These stamps are then given to retailers to sell on to tourists and are also shipped overseas to stamp dealers.

For more information on the scheme contact our Fundraising Department on 1850 506 300 or fundraising@guidedogs.ie
